

Court of Appeals, State of Michigan

ORDER

Terry Lee Carson v Jon Ross Wright

Docket No. 302113

LC No. 10-900198-NO

Kathleen Jansen
Presiding Judge

Jane M. Beckering

Cynthia Diane Stephens
Judges

The Court orders that the motion for reconsideration is GRANTED. The order dated February 25, 2011, is VACATED, and the claim of appeal is REINSTATED. Appellant is an aggrieved party with standing to appeal as to the matter that was decided by the trial court after a contested hearing. MCR 7.203(A). We do not consider it necessary to amend the order appealed from or remand this case to the trial court for such amendment because the order appealed from may reasonably be read as only disposing of the three claims that remained pending in the trial court at the time it was entered on stipulation of the parties.

The time for filing appellant's brief on appeal under MCR 7.212(A)(1) shall be determined as if the claim of appeal had been filed on the date of this order.
